### **DEMOGRAPHIC PROBLEMS OF THE UKRAINIAN VILLAGE IN THE CONTEXT STATE BUDGET POLICY AND WAYS OF THEIR SOLUTIONS**

*The brief description of the demographic situation in rural areas is provided. The trends and the problems of the socio-demographic development of Ukrainian village are investigated.*

*The main directions of improvement of the demographic situation in the country are set out. The need to consolidate the efforts of the state, regional and local authorities and self-government, as well as territorial communities to solve demographic problems of rural areas is stressed.*

*The system of measures which contribute to overcoming the demographic crisis and social revival of the village is proposed.*

**Keywords:** demographic situation, demographic processes, rural population, rural territories, depopulation, rural net of the settlements, number of population, territorial community.
